APPENDIX No. 1A

OPEN GENERAL LICENCE FOR EXPORT OF LIST C GOODS.

An Open General Licence has been issued allowing goods on Section C of the Prohibited List, including those shown in Appendix No. 1 (page 955), but not including any goods contained in Section D (page 956), to be exported freely by freight from this country to Sweden, Denmark, Holland and Switzerland, on the following terms :—

Sweden.—Individual guarantees in respect of exports are no longer required, but the goods must be consigned either (1) to the appropriate Import Associations or (2) to the Inter-Allied Trade Committee at Stockholm, who will endorse the Bills of Lading (without any financial liability) on receipt of satisfactory guarantees from the consignee. In order that the method of consignment may be checked, an arrangement has been made whereby shippers are to forward the Customs Shipping Bills or Specifications (whichever are required under Customs regulations) to the Export Licences Department, 4, Central Buildings, Westminster, S.W. 1 (in envelopes marked "Shipping Section") for approval. Should the exporter normally have received a guarantee against re-export in respect of the transaction, it should be forwarded with the Shipping Bill or Specification, and if the guarantee has previously been sent to this Department, the reference number of the relative papers should be furnished. The Shipping Bills or Specifications will be amended, if necessary, and returned to the shippers stamped "approved." Upon the production of approved Shipping Bills or Specifications, shipment will be allowed by H.M. Customs without any form of guarantee, subject to the usual Customs formalities. This procedure will not apply to any individual licences which have already been issued, or which may hereafter be issued in special cases.

Should exporters prefer, they may forward to this department a duplicate of the usual advice sent to their shipping agents in lieu of a Shipping Bill or Specification. The advice will then be stamped and returned to them (or to their shipping agents if requested) for production to the Customs with the usual Shipping Bill or Specification. Documents addressed to the Shipping Branch of the Export Licence Department will be dealt with at once and will be despatched to exporters by return post.

Denmark.—The usual certificates from the Danish Associations must be produced to the Customs at the time of shipment, and in such cases the goods may be consigned direct to the consignee. Where goods covered by one certificate are to be shipped in instalments, special arrangements should be made with the Customs on shipment of the first instalment. Where the exporter is in a position to declare that the Associations will not issue a certificate, the goods may be consigned to the Inter-Allied Trade Committee at Copenhagen, for account of the actual consignee. The certificates need not be produced to the Customs in any case where individual licences have been or may be issued by the Export Licence Department in special cases.

Holland.—All goods may be consigned to the Netherlands Overseas Trust for account of the sub-consignee without the prior production of an N.O.T. certificate, though exporters who actually hold certificates should hand them to the Customs at the time of shipment. The same procedure will apply to outstanding licences.

Switzerland.—All consignable goods (except foodstuffs, see page 957), a list of which is issued as a special supplement to the "List of Export Prohibited Goods," should be consigned to the Société Suisse de Surveillance, but the prior production of an S.S.S. certificate to the Customs will not be necessary, even in respect of licences already which issued may stipulate for the production of S.S. certificates. Any S.S.S. certificates actually in the possession of exporters should, however, be handed to the Customs when the goods to which they relate are shipped. It is, however, still necessary for the actual consignee in Switzerland to obtain an S.S.S. certificate before the goods can be handed over by the Swiss Customs. It is important, therefore, that exporters should, immediately on receipt of an order from Switzerland, advise the Swiss purchaser to take the necessary steps to obtain the certificate from the S.S.S.

In cases where the S.S.S. have refused generally or specifically to accept consignments for any customer, an application for specific licence should be made to this Department. The fact that the S.S.S. have refused to accept consignment should be clearly mentioned on the application form.

Goods not consignable to the S.S.S. may be despatched direct to the purchaser.

Applications for licences for the above countries should continue to be made to the Export Licence Department (4, Central Buildings, Westminster, S. W. 1) for all goods on Sections A, B or D of the Prohibited List. Applications should also be made for the following goods on Section C :—

(i) Goods to be despatched by parcel post ;

(ii) Goods intended for the personal use of the recipient ;

Applications to export goods in reasonable quantities to private consignees in Norway, Sweden, Denmark, Holland and Finland will be considered without consignment to the usual Importing Associations or production of guarantees against re-export.

It must be understood that no goods can be despatched under this scheme except such as are for the personal use of the consignee and of his family.

(iii) Isolated trade transactions not exceeding £5 in value.

Exports by parcel post to neutral countries in Europe are allowed without consignment to the usual Importing Associations, or, in the case of Denmark, guarantee against re-export, provided the value of the parcel does not exceed £1. It should, however, be distinctly understood that this procedure is intended to apply to isolated transactions only, and that exporters cannot be allowed to despatch large numbers of parcels to the same consignee without consignment to the appropriate Import Association ; it will not, however, be necessary for certificates from those Associations to be produced.

In each case [except as regards (ii) and (iii) above, for which guarantees are usually waived] exporters should state whether the appropriate Importing Association is willing to accept consignment of the goods ; and if the Association has refused to accept consignment, generally or specifically, that fact should be stated.

Norway.—An open general licence has been issued for all goods not on List A or B, whether exported by freight or parcel post, without restriction as to method of consignment.

The term "foodstuffs" should be regarded as including spices and beverages.

I.—*Draft rules for the preparation of electoral rolls for the election of divisional councillors of the Corporation of Madras (under section 59 of the Madras City Municipal Act, 1919).*

1. The Commissioner, before the 15th day of May in each year, shall prepare and publish preliminary lists of persons qualified to vote for each division as provided by sections 41 to 50 of the said Act.

2 (i) The said list shall be published by affixing the same to some conspicuous place in or near the Municipal office and in at least two places in the division to which the list appertains.

(ii) The Commissioner shall give notice of such publication in the *Fort St. George Gazette* and in two or more of the local newspapers, and the said list shall be open to public inspection at all reasonable times for fifteen days after the date of the giving of such notice.

(iii) Objection may be made to the inclusion of any name in a divisional list by written objection signed by not less than two qualified voters of the division to which the list appertains. Every such objection shall be presented to the Commissioner within one month from the date of publication of the said list under sub-rule (i) of this rule.

(v) The Commissioner shall pass orders on any objection or application presented to him under sub-rules (iii) and (iv) and shall revise the lists if necessary in accordance with his decision.

(vi) The revised lists shall be published in the manner provided in rule 2 (i) above within six weeks of the date of publication of the preliminary roll under the said rule, and shall be conclusive and valid for election purposes, except in so far as it may be amended in respect of individual voters by proceedings taken under sub-rules (vii) and (viii) below.

(vii) If, by order of the Commissioner under sub-rule (v), the name of any person objected to under sub-rule (iii) or of any applicant for inclusion under sub-rule (iv) as the case may be, is not removed from, or inserted in, the revised list for the division concerned, the objectors or the applicant may, within ten days from the publication of the revised list under sub-rule (vi), apply to the Chief Judge of the Court of Small Causes, Madras, for an order of removal or insertion (as the case may be) of the name of the person concerned.

(viii) The Chief Judge of the said Court, after such inquiry as he deems necessary, shall pass orders on any application presented to him under sub-rule (vii), and shall certify his order to the Commissioner, who shall, if necessary, forthwith amend the revised list accordingly.

The Commissioner shall give his decision on every such objection in writing, which decision shall, for the purposes of the election, be final, unless, within one week of giving the same, a petition for revision be put in before the Chief Judge of the Court of Small Causes; in such case the decision of the said Chief Judge shall be final. In case the objection is allowed the decision of the Commissioner or the Chief Judge of the Court of Small Causes, as the case may be, shall be communicated to the candidate affected thereby.

5. If the decision of the Commissioner or the Chief Judge of the Court of Small Causes on objection taken to any nomination under rule 4 has for any reason not been given more than three days before the date fixed for the election under rule 1, the Commissioner shall report the matter to the Governor in Council who will fix, by notification in the *Fort St. George Gazette*, a fresh date for the election in the division in respect of which such nomination was made, and copies of such notification shall be posted in conspicuous positions at not less than three places in the division. The procedure prescribed by rules 2, 3 and 4 should be repeated for such fresh election unless the Governor in Council shall by special order otherwise direct.

7. The Commissioner shall appoint one or more polling officers to preside at each polling station and may pay them reasonable remuneration for their services. Such polling officers shall neither be councillors for the divisions of which the poll is to be taken nor registered voters in it. It shall be their duty to see that the votes are recorded with absolute secrecy, that only electors and persons desirous of lodging objections to voters are admitted into the polling rooms, and that persons who have recorded their votes or whose objections have been heard and disposed of leave immediately. Each candidate shall be permitted to have one agent, who shall be approved by the Commissioner, present at the polling room during the election to watch his interests.

8. Each polling officer shall be supplied by the Commissioner with a list of voters for the division for which such polling officer is appointed to take votes. The ballot papers and box shall be delivered to the polling officers by the Commissioner, or other persons authorized by him, on the morning of the election day and at the hour fixed for the starting of the poll.

10. Each voter shall present himself personally to the polling officers, who, if satisfied that such person is on the list and entitled to vote and has not already voted, shall allow him to place his voting paper in the ballot-box. No vote may be given by proxy or by agent.

11. The elector shall make a mark against the name of the candidate for whom he votes.

12. Notwithstanding the provisions of rule 10 or 11, voters who are unable themselves to mark the ballot paper by reason of illiteracy or of blindness, may have their marks affixed on their behalf and in their presence by a friend or relative who may accompany them to the polling booth for this purpose:

Provided that in every such case the permission of the polling officer shall be first obtained and such permission shall not be given unless the polling officer is satisfied that the voter is in fact unable to mark the paper for himself, and that the person who accompanies him has not during the election been acting in the interest of any of the candidates.

13. Any ballot papers on which a mark is made against the names of more than one candidate shall be invalid.

14. Polling officers shall make a mark on the list of voters against the name of each person placing voting papers in the ballot-box and shall write down on a separate list the name of every voter as the vote is recorded and shall, at the close of the poll, send the ballot-box duly sealed and secured to the Commissioner.

15. At the polling no objection to any intending voter shall be admitted, except on the following three grounds:—

First.—That his name is not on the list of voters of the division in respect of which the election is being held.

Second.—That his claim to be a certain person shown on the list of voters is false.

Third.—That he has already voted.

16. On being satisfied that there are reasonable grounds for any of the above objections, polling officers shall prohibit such intending voter from placing his voting paper in the ballot-box, shall record his name and address, the objection admitted against him and the grounds of such objection, and shall direct him to appear before the Commissioner at the Municipal Office within three days from the day of the election, and the decision of the Commissioner, made after due inquiries shall be final.

17. The polling officer shall, at the close of the day, transmit to the Commissioner a list of the objections to voters admitted by him during the day, and the Commissioner shall, after hearing and deciding upon all such objections, ascertain the totals of the votes given in each division and shall record the result of the election under his signature.

The candidate for whom the greatest number of votes shall have been given in each division shall be deemed to have been elected councillor for the said division; and the Commissioner shall forthwith transmit the name of the candidate so elected to the Government for publication in the *Fort St. George Gazette*.

(4) That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

(5) That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 12 per cent per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of resale reserved by the following condition; provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

(6) That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited and retained by Government, and the Government shall be at liberty to resell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such resale, together with all expenses attending it, shall be made good by the purchaser at the present sale who shall so neglect or refuse as and for liquidated damages.

(7) That the assessment on the land will be paid from fasli 1329, i.e., from 1st July 1919.
